Tender for Design, Supply, Installation and Deployment of Fisheries Information Management System (FIMS) in Kenya

This is in reference to tender advertisement appearing in The Star Newspapers on 14th January, 2025 - Tender for Design, Supply, Installation and Deployment of Fisheries Information Management System (FIMS) in Kenya.

S/NO	CONCERN	CLARIFICATION
1.	<p>1. General Experience (Section 5.4.1, Page 65)</p> <p>- The requirement states that both the prime bidder and joint venture (JV) members must each have at least 10 years of experience in Information System contracts - This requirement may limit participation by many innovative companies with relevant expertise, potentially reducing competitiveness.</p> <p>- Would you consider reducing this to at least 5 years or allowing compliance by either one member or all members combined, instead of requiring each member to meet it individually?</p>	<ul style="list-style-type: none">The requirements remains the same as indicated in the bid document – 10 years for both (on JV)
2.	<p>2. Specific Experience (Section 5.4.2, Page 65)</p> <p>- The requirement mentions participation in at least two contracts within the last five years, but the minimum contract value is not specified. - Please confirm the required contract value?</p> <p>- Additionally, the term "similar to the proposed Information System" is unclear - Does this refer specifically to a Fisheries Information Management System, or would experience in any aquaculture-related system also qualify?</p>	<ul style="list-style-type: none">This is on the technical point of view and not the contract value as this should not be a limiting factor at the technical levelSimilar applies to Aquaculture

The submission/closing date of the tenders is Thursday 13th February, 2025. All the other conditions remain the same.

Dated: 6th February, 2025
